Palgrave MacMillan, United Kingdom, 1994. Paperback. Condition: New. 1994 ed.. Language: English . Brand New Book ***** Print on Demand *****.This text introduces the reader to a sociological perspective on industrial society, aimed at students (both within and outside the social sciences) who seek a general understanding of the social consequences of economic change. Since it assumes that most of its readers will end up working in management, the book focuses upon the business enterprise and social relationships within it, aiming to provide a general background which will lay the foundations for more detailed study of organisational processes and the problems of management.
