Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpted Text: The fact is that every person generates and throws off a certain degree (varying among different individuals) of personal magnetism, which affects the minds of other persons coming within the field of its influence. Not only does each person emanate and project a certain amount or degree of personal magnetism, additionally, each person is also constantly surrounded by a field of personal magnetic influence - a personal atmosphere, so to speak. This personal atmosphere affects to a greater or lesser degree other persons coming within its field of influence. This personal atmosphere varies greatly in degree of strength, extent and general character, among different individuals. The average person has but a weak personal atmosphere, which extends but a short distance on all sides of him, while the strong characters of the race are surrounded by a widely spread personal atmosphere of great power, especially when they are aroused by any strong emotion, feeling or desire. The personal atmosphere of those strong individuals, who are generally recognized as leaders of the race, usually extends great distances from the person, and is fairly saturated with strong dynamic magnetism, which impresses itself strongly upon those coming within their field of influence. Some may raise the question that if, as I have said, each and every person is possessed of personal magnetism, then why should any one bother any more about the matter, or study the subject of personal magnetism at all. Such a question (and it is frequently raised, for that matter) causes a smile to manifest on the features of those who have knowledge of the subject; so childish does it seem to them. While it is true...
