Beaten Track Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

To be a Vampire is to know your pale skin and red lips offend others. -Malcolm V It s the mid twenty-first century. Anti-Semitism, racism, sexism and homophobia have been consigned to the dustbin of history. The world is run by the state, and Christian zealots, whose chief governing tools are fear and oppression. It s a wonderful time to be alive-unless you re a Vampire. Vampires are despised, and feared, and subjected to discrimination and unspeakable violence. Considered undead, unholy, without basic human rights, Gatsby Calloway lives on the fringes of society, avoiding humanity. Until he meets Barnabas, a young encaustic painter. When Barnabas is mortally wounded during an anti-Vampire attack, Gatsby must forget everything he has known, and learn to trust.
