Designuitive, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you ve been using Photoshop to create graphics such as logos and icons, you re really missing out. Adobe Illustrator is far better suited for such a task and with Creating Logos with Illustrator CC from Peter Bone, you ll quickly learn how to create a variety of great logos with ease. Through a series of hands on exercises you ll learn how to create all the logos you see on the cover (48 in total), each one starting from either a simple shape or typeface. Each section starts with the most simple logo and works through to the most complex, the skills you learn building one upon the other. Along the way you ll learn key Illustrator skills such as aligning objects accurately, drawing with shape tools, using type, transforming objects and combining shapes in a variety of ways. You ll also learn about different ways you can set up documents, how to create artwork that can be used in print or on the web, and how to work with different colour models such as Pantone colours.
