

The English Opium-Eater: A Biography of Thomas De Quincey (Paperback)

Filesize: 4.73 MB

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

Orion Publishing Co, United Kingdom, 2010. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Definitive life of the author of CONFESSIONS OF AN ENGLISH OPIUM-EATER, journalist, political commentator and biographer. Thomas De Quincey's friendships with leading poets and men of letters in the Romantic and Victorian periods - including William Wordsworth, Samuel Taylor Coleridge and Thomas Carlyle - have long placed him at the centre of 19th-century literary studies. De Quincey also stands at the meeting point in the culture wars between Edinburgh and London; between high art and popular taste; and between the devotees of the Romantic imagination and those of hack journalism. His writing was a tremendous influence on Edgar Allan Poe, Charles Dickens, William Burroughs and Peter Quincey is a fascinating (and topical) figure for other reasons too: a self-mythologizing autobiographer whose attitudes to drug-induced creativity and addiction strike highly resonant chords for a contemporary readership. Robert Morrison's biography passionately argues for the critical importance and enduring value of this neglected essayist, critic and biographer.
