Does Christianity Teach Male Headship (Paperback)

By David Blankenhorn

William B Eerdmans Publishing Co, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is not just another book on the perennial issue of male headship. In contrast to those many who regard Christianity as the great source of male domination, this book argues that authentic Christianity does not teach that husbands have spiritual superiority over their wives, and its authors listen to and engage voices that still claim that it does. Written by distinguished Protestant and Roman Catholic scholars, the book first demonstrates how deep strands of the Christian tradition have always taught an ethic of gender mutuality, sowing the seeds for what is today called the equal-regard marriage. Though patriarchy was pervasive in the ancient world surrounding early Christianity and sometimes influenced the church, new research shows that the earliest layers of Christianity both resisted and worked to transform it. Not every author in the book agrees with this point of view; dissenters have their say too. As a whole, Does Christianity Teach Male Headship? constitutes a robust debate that, finally, invites readers to decide. Contributors: David Blankenhorn Don Browning Lisa Sowle Cahill Allan C. Carlson Daniel Mark Cere Maggie Gallagher W. Robert Godfrey Bonnie Miller-McLemore John W....
