ENTWINED COURAGE (PAPERBACK)

Amazing Things Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the award winning author, Tracy Lane: Aurora Turnleaf has lived her whole life hearing fairy tales of mysterious lands, magical beings, and crystal towers. She thought nothing of them until the day she stumbled upon a magnificent city, deep within the woods, built entirely of see-through crystal. It appeared out of nowhere, in a part of the forest she s never ventured into before, and suddenly all those stories she heard growing up become much less imaginary. Her guide is Iragos, a light mage, who introduces her to Kayne, a mage in training for a dark wizard named Kronos. Unbeknownst to Aurora, Kayne had just stolen the Ythra Orb from the Hallowed Hall on behalf of his master and hidden it in her pack. Suddenly Aurora is thrust into a life or death journey to help Kayne find the mystical land of Morgis, home to the Oracles who first created the Orb, in hopes that they can secure its safety against Kronos. The path to Morgis will be treacherous enough, but it is what follows the two teens that is more life threatening. For the dark mage s fierce legion of vicious minions is on their path, with Kronos himself not far behind, and all of them are intent on intercepting Kayne and Aurora at every turn. Meanwhile, Aurora and Kayne must battle both the elements and Kronos dark magic to complete their quest. And along the way, the two teens from very different worlds must learn to work together to overcome obstacles, one of them being their mutual attraction.
