BB Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine receiving an invitation to your boss s party to watch a basketball game. Horror strikes because you don t know the first thing about the sport--or maybe you d like to know more. Or, you love your job, and you want to impress your supervisor and colleagues. But what s a free throw? Why are those men running down the court and charging about wildly? Before you go nuts trying to learn the language of basketball on your own, read Game-Day Goddess: Learning Basketball s Lingo to understand the game. Let this book familiarize you with the expressions the broadcasters use on TV and radio; grasp what s happening when those men on the court in striped shirts thrust their arms high above their heads. One hint. They re not beginning a cheer, such as the wave. Game-Day Goddess: Learning Basketball s Lingo documents the action you ll see on television or hear on the radio, or in the stands, and the essentials of the game. A handy reference covering the most important phrases and words used in today s game at the pro and college level, this concise dictionary features simple entries. With this resource, readers will never again be at a loss for the meaning of a basketball phrase or feel foolish because they don t know what s going on out on the court.
