

Matteo Ricci and the Catholic Mission to China, 1583-1610: A Short History with Documents (Paperback)

Filesize: 6.11 MB

Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

Hackett Publishing Co, Inc, United States, 2016. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Here at last is the text that many college teachers of Chinese, Asian, and world history have been waiting for: an accessible collection of primary sources on the life of the Italian Jesuit Matteo Ricci and the Catholic mission that he helped establish in China. Ricci's missionary career indeed constituted a key moment in modern history, for it was through his examples and recommendations that the Jesuits in China collectively adopted an accommodative approach to Chinese culture and embarked on various projects of cultural translation that resulted in the first wave of sustained interactions between Chinese and European civilizations. Instructors and students alike will benefit greatly from Hsia's lucid introduction, which sets Ricci's life story against the broader background of Portuguese Asia, Catholic renewal, and late Ming China; the pithy, informative introductory statements preceding each document; a chronological chart of major relevant events; and an excellent annotated bibliography of primary and secondary sources in multiple languages. This is a very affordable text produced at the highest academic standards. Qiong Zhang, Associate Professor of History, Wake Forest University.
