

Opening the Door of Faith: Encountering Jesus and His Call to Discipleship (Paperback)

By Timothy D Stegman

Paulist Press International, U.S., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. When Pope Benedict XVI called for a Year of Faith, he explicitly called for a study of Vatican II documents and the Catechism. This book strives to bring forth another source for study and reflection on the issue of faith, the five major voices of the New Testament - Matthew, Mark, Luke, John, and Paul. The recent encyclical on faith, Lumen Fidei, speaks of the relational aspect of faith. That is, faith is primarily a response to God's love revealed through Jesus. It thus entails relationship with Christ and with the Church that is his Body. This book lays out four dimensions of the life of faith from each of the five major voices. It will include study and reflection questions at the end of each chapter.
