Reviews

This created pdf is excellent. We have read through and i also am sure that i am going to going to study yet again yet again in the future. You will not truly feel monotony at at any time of your time (that's what catalogues are for concerning should you check with me).

(Myriam Bode)

SILENCING THE PAST: POWER AND THE PRODUCTION OF HISTORY

Tantor Media, Inc, United States, 2015. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. Placing the West's failure to acknowledge the most successful slave revolt in history alongside denials of the Holocaust and the debates over the Alamo and Christopher Columbus, Michel-Rolph Trouillot offers a stunning meditation on how power operates in the making and recording of history. Presented here with a new foreword by renowned scholar Hazel V. Carby, *Silencing the Past* is an indispensable analysis of the silences in our historical narratives, of what is omitted and what is recorded, what is remembered and what is forgotten, and what these silences reveal about inequalities of power.
