I lighted upon great files and heaps of papers and writings of all sorts. In searching and turning over whereof, whilst I laboured till I sweat again, covered all over with dust, to gather fit matter together . that noble Lord died, and my industry began to flag and wax cold in the business. Thus wrote William Camden with reference to his projected life of Lord Burghley, which was never written; and the words may be applied not inappropriately to the present book and its writer. Some years ago I passed many laborious months in archives and libraries at home and abroad, searching and transcribing contemporary papers for what I hoped to make a complete history of the long reign of Philip IV., during which the final seal of decline was stamped indelibly upon the proud Spanish empire handed down by the great Charles V. to his descendants. I had dreamed of writing a book which should not only be a social review of the period signalised by the triumph of French over Spanish influence in the civilisation of Europe, but also a political history of the wane and final disappearance of the prodigious national imposture that had enabled Spain, aided by the rivalries between other nations, to dominate the world for a century by moral force unsupported by any proportionate material power. The sources to be studied for such a history were enormous in bulk and widely scattered, and I worked very hard at my self-set task. But at length I, too, began to wax faint-hearted; not, indeed, because my noble Lord had died ; for no individual lord, noble or ignoble, has ever done, or I suppose...
