Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Need2Know. Paperback. Book Condition: new. BRAND NEW, Adoption: A Parent's Guide (2nd Revised edition), Diana Cambridge, Adoption is not a simple process, but the books language is plain and clear, with many illustrations from the authors own experience of being a mum to an adopted daughter. She steers you through the journey towards adoption, highlights the mistakes she made, and suggests solutions. From her memories of first meeting her adopted child, through the approval process and up to the adoption ceremony and beyond theres practical, emotional and legal guidance. The adoption book is for everyone and anyone involved with adoption geared mainly at parents, but also to people considering or on the road to adoption, adoption/fostering social workers and social work students, and anyone working within the adoption arena. Its an essential guide that answers all your questions and reassures that adoption is now far easier than you may think.
