THE ARCHITECTURE OF PRIVACY (PAPERBACK)

O'Reilly Media, Inc, USA, United States, 2015. Paperback. Condition: New. Language: English. Brand New Book. Technology's influence on privacy not only concerns consumers, political leaders, and advocacy groups, but also the software architects who design new products. In this practical guide, experts in data analytics, software engineering, security, and privacy policy describe how software teams can make privacy-protective features a core part of product functionality, rather than add them late in the development process. Ideal for software...
