Brilliant Publications, United Kingdom, 2016. Paperback. Condition: New. Language: French . Brand New Book. Bon appetit presents dishes from several French regions, including Guadeloupe; an island in the West Indies which, although 6 200 km away from mainland France, is a DROM (Departement et region d Outre-Mer), along with other islands in the Caribbean like Martinique, Saint-Martin and Saint-Barthelemy. In Brittany, pancakes are called galettes when they are made with buckwheat for savoury dishes, and crepes when they are made with wheat flour and have sweet toppings for dessert. The phrase Bon appetit ! is what French people commonly say to each other before a meal. Pupils can easily and quickly read this short, attractive, highly-illustrated French book for a sense of enjoyment and achievement. The book can be used to introduce children to reading in French and help them to improve their reading skills. It strongly supports Intercultural Understanding by making a point of revealing, via the texts and the pictures, various cultural aspects of life in France or French-speaking countries. This book is one of six Brilliant French Information Books at Level 2.
