DISTRESSED SALES AND THE FHFA HOUSE PRICE INDEX (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Trends in residential house values can be expressed by changes in House Price Indexes (HPIs). HPIs are based on observed prices and help guide real estate activities. Since the recent housing crash, distressed sales have increased in numbers and have led to concerns about their effects on market valuations. This book explores the extent to which distressed sales can be...
