Soaring Eagle Enterprises, United States, 2011. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.A few years ago I was awakened in the middle of the night with truth and understanding pouring into me which I recorded on a 24 x36 sheet of architectural paper. That inspiring genesis began years of research and writing to produce **Wake Up America!!!** No other book so succinctly presents how to discern between truth falsehoods, summarizes God's truth vs. Satan's counterfeit, America's real roots, how why America became great, causes of America's descent, evidence of America's awful situation, and what We The People MUST Do and CAN Do NOW to restore Our Republic. This book is a spiritual secular sword of truth to slay dragons of deceit treacherous tyrants hiding in plain sight disguised as sheep in wolf's clothing that slink in the shadows behind shrouds of political correctness and moral relativism. It is about principles, not politics. We are eternal spiritual beings having mortal physical experiences; not the other way around. The World would separate the two. This book connects the spiritual and secular dots of our past, present and future to present a holistic view of life; big picture tapestry that sharpens vision and empowers people to act to promote a preferred future. America has a divine mission to be a light on a hill that shines the light of liberty to all the World; for out of Zion shall go forth the law. This book invites men of good will everywhere to unite in a common mission to restore OUR Republic; to rise up and act to correct our course and enable America to fulfill her divine mission.
