The Well-Trained Mind Press. Paperback. Condition: New. Patty Rebne (illustrator). 450 pages. The Key to Student Workbook 1 gives clear, thoroughly-explained answers to all exercises in Student Workbook 1, the first of four books in the Grammar for the Well-Trained Mind series, providing detailed, well-designed exercises in the correct use of English grammar. The Key, along with the accompanying Student Workbook 1 and the Core Instructor Text, make up Grammar for the Well-Trained Mind: a complete course that takes students from basic definitions (A noun is the name of a person, place, thing, or idea) through advanced sentence structure and analysis all the grammar skills needed to write and speak with eloquence and confidence. This innovative program combines the three essential elements of language learning: understanding and memorizing rules (prescriptive teaching), repeated exposure to examples of how those rules are used (descriptive instruction), and practice using those rules in exercises and in writing (practical experience). Each year, parents and teachers go through the dialogue, rules, and examples in the Core Instructor Text; students follow along in the Student Workbook. This repetition solidifies the concepts, definitions, and examples in the students' mind. There are four Student Workbooks, one for each year. Each Student Workbook contains the same rules and examples but four completely different sets of exercises and assignments, allowing students to develop a wide-ranging knowledge of how the rules and examples are put to use in writing. Each Key to the Student Workbooks provides not only answers, but also explanations for the parent/instructor, and guidance as to when the answers might be ambiguous (as, in English, they often are). All of the rules covered, along with the repeated examples for each, are assembled for ongoing reference in the Comprehensive Handbook of Rules. This will become the students' indispensable guide to writing through...
