

Learning Python

By B. Nagesh Rao

A CyberPlus Publication. Paperback. Condition: New. 544 pages. Dimensions: 10.0in. x 7.0in. x 1.2in. 10 Reasons Why This is the Best Book for You: 1. This book starts slowly! The fundamental concepts are taught gently to ensure that you have a good foundation of basic concepts! 2. This book is well organised! The chapters, headings, subheadings and content within the chapters have been planned very carefully so that you conquer Python chapter by chapter! 3. This book teaches interactively! The moment a new concept is taught, there is code that immediately follows so that you understand how it looks to the Python interpreter! 4. This book teaches even when you can't practice! Not only do we show you code immediately after teaching a concept, we also provide output from a real Python session so that you can imagine how Python reacts when you type in a piece of code! 5. This book teaches good programming practices! It is not only important to learn Python, but to also code like a professional. While it will definitely take a little bit of time to metamorphose from novice to professional, we show you best practices and pitfalls that will accelerate your journey! 6. This...

Reviews

It is one of the most popular book. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
