Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

NO DAFFODILS, NO CLOUDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No Daffodils, No Clouds, like Tom Lyford's earlier poetry books, is a compendium of baby boomer Americana. The table of contents listing, with everything from Brat Packs and Idiots Guide to Wormholes to A Terrible Thing to Waste and Poem Nazis, reads like the big board of Alex Trebeck's Jeopardy categories. Allow Tom Lyford to personally introduce you to his unwitting mentors Janis Joplin, Bob Dylan, Tom Waits, Leonard Cohen, Stephen King, J. D. Salinger, and Ray Bradbury. Accept the tokens he offers for passage back through the Twilight Zone turnstile to relive those sights and sounds and smells of your 50s and 60s drive-in movie theater and roller skating pavilion. Contemplate his long view as to where we've been, and where we're headed. But you'll discover no wandering lonely as a cloud or host of daffodils here. Why? Because legions of Wordsworth wannabes have been doing that since 1802. What you will find, however, is a lot of humor and heart. You'll find accessible poems that you can understand. And you'll even find creative illustrations.
