SHATTERED LACE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lily is an ordinary, small-town girl with an extraordinary thirst to go after what's out in the world. Mundane is outdated, stability is normal and settling is conventional for the girl who wants to make life happen without any strings attached, anchors down or chartered plans. Defying what society is willing to offer, she seeks more and gathers the courage to make the change. But the change comes at a cost, and it's a life-changing one. She yearns for passion and goes after it for happiness. Little does she know that passion burns and it could hurt her. Confused by circumstances, she lets the chips fall, hoping they'd land where she wants them to when she's unsure of how much is at stake for the price of happiness. Will she be able to find what she's looking for when what she's looking for is the love of a man with whom it was over long before it began? Or will she simply walk away from what could be the love of her life because running away is what she's good at?.
