

The Bamboo Flute (Paperback)

By Garry Disher

Hachette Australia, Australia, 2002. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Twelve-year-old Paul is conscious of the troubled spirits of the people about him, especially his father. Paul is a solitary boy, interested in music. He has few friends because he lives on a farm. The town kids and the teacher ignore him or tease him. One day Paul encounters a tramp, Eric the Red, camped on the farm. Eric shows him how to make a flute from bamboo. Paul's mother is sympathetic, but Paul knows that he can't tell his father what he's doing. His teacher later confiscates the flute before he can finish it, but he sets out to make another, in secret. Meanwhile, the district is on the lookout for Eric the Red, accusing him of sheep stealing. Will Paul have the courage to stand up for him, revealing his link with Eric? First published in 1992, THE BAMBOO FLUTE was Garry Disher's first novel for children. It is an evocative story of hardship, hope, respect and recognition set during the Depression.

Reviews

A whole new e book with a new perspective. I could comprehend almost everything using this written e ebook. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be the best publication for ever.

-- **Dee Halvorson**

This publication is definitely not effortless to get going on looking at but really exciting to read through. It really is rally intriguing through looking at time period. Its been written in an remarkably straightforward way which is just soon after i finished reading through this book where basically altered me, change the way i think.
