

The Second Day at Gettysburg: Essays on Confederate and Union Leadership

By Gary W. Gallagher

Kent State University Press. Paperback. Book Condition: new. BRAND NEW, The Second Day at Gettysburg: Essays on Confederate and Union Leadership, Gary W. Gallagher, Notable Civil War historians herein continue the evaluation of select commanders begun in The First Day at Gettysburg: Essays on Confederate and Union Leadership. Based on fresh manuscript sources and careful consideration of existing literature, the essays in The Second Day at Gettysburg explore such controversial issues as Robert E. Lee's decision to renew the tactical offensive on July 2; James Longstreet's effectiveness in executing Lee's plan; the origin and impact of Daniel E. Sickles's decision to advance his Third Corps, which formed the infamous "Sickles's Salient"; the little-understood role of Henry W. Slocum and his Union Twelfth Corps; and the contribution of John C. Caldwell's division in the maelstrom of the Wheatfield. These provocative essays present new evidence and sometimes controversial interpretations that will prompt reevaluation of several officers who played crucial roles during the second day of the Gettysburg campaign.

Reviews

A very amazing ebook with perfect and lucid reasons. Indeed, it can be engage in, still an amazing and interesting literature. I found out this pdf from my i and dad encouraged this book to discover.

-- Breanna Hintz

It becomes an awesome publication that I actually have actually read. It really is writer in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
