iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Razel Sima looked past her father as she replied in a voice that was not hers, No, Father, I will not deliver the omitted Commandments to all mankind, but forty generations hence, in a new world, Orben, the messenger, will bring additional enlightenment to the world, and the Lord s work will be done. Christianity, Judaism, and Islam accept the Ten Commandments as revealed truth, etched into stone and handed down to Moses on Mount Sinai. But were the Commandments, as we know them, the only words from God on the subject of human conduct? The brilliant biblical saga Broken Commandments postulates the existence of ten additional Commandments, in addition to the ones that millions of believers live by today. The missing Commandments were supposedly carved on the reverse side of the original tablets given to Moses. Moses smashed them in disgust when he came down from the mountain and saw the Israelites worshipping a golden calf. Thousands of years later, the one chosen by the Lord will enlighten the world and bring forth all of the Twenty Commandments. He is prophesied to spread tolerance throughout a new nation and become the leader of the new faith of faiths. Do the lost stones hold the key to the survival of the human race?.
