iUniverse, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the age of fifty-five, I was diagnosed with a huge brain tumor. I went directly to emergency surgery. A few days later, when I woke up, I did not know who I was, where I was, or what my name was, as the nursing staff all called me little girl. This book is a part of my journey back to me. I truly relive each joy and each sorrow I have had. My family has helped in this relearning process. I am still a work in progress.
