

1450-1950 (Paperback)

By Bob Brown

Roving Eye Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Originally published in 1929, Bob Brown's 1450-1950 is a collection of hand-written, optical poems. This parodic set of scratches extends and challenges the legacy Gutenberg's standardized type set and blurs the boundaries between scribbles, art, and literature. In this new edition, scholar and Brown biographer Craig Saper offers a new introduction to the work with several new contributions from artists, poets, and critics paying homage to Brown's impact on the Beat movement, LANGUAGE poetry, and the field of digital modernism.

Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Glen Ernsner**

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

-- **Mr. Enrico Lesch**
