Pearson, United States, 2015. Paperback. Book Condition: New. Student. 226 x 155 mm. Language: English . Brand New Book. Law and Order reflects the complexity of the law, the broad range of subject matter that it covers, the many individuals affected by the questions raised within its purview, the individual and societal ramifications of such interactions, and the way in which language is used to sort out all those complications. There are no easy answers, but to recognize the complexity and paradoxical nature of the institution we call the law is crucial to operating successfully within it. Understanding the competing rhetoric used by those engaged in the legal process can help guide our decision-making, whether it is in deciding who to elect to create laws in our best interest or in determining our own courses of action in promoting causes we believe in, causes which most likely will involve legal issues and actions somewhere along the process. 0133997537 / 9780133997538 Law and Order(Longman Topic Reader) Plus MyWritingLab -- Access Card Package Package consists of: 0133933296 / 9780133933291 MyWritingLab Generic without Pearson eText -- Glue-In Access Card 013393330X / 9780133933307 MyWritingLab Generic -- Inside Star Sticker 0205644589 / 9780205644582 Law and Order.
