Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

LIVE BAIT: A SAILOR, HIS FAMILY, AND THE CHRONICLES OF HMS DEFENCE, BEFORE AND DURING THE FIRST WORLD WAR AND THE BATTLE OF JUTLAND

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In centennial memoriam and after more than five years of extensive research, compiled from volumes of facts, personal accounts and family recollections, this work has revealed one of the most remarkable, true, underdog adventures of the twentieth century. Live Bait is a must-read for any historian and anyone interested in a serious, important, personal glimpse into the harsh realities of war at sea, and at home. - It begins on August 31, 1913, as the author s grandfather, William (Bill) Charles Trevithick, joins HMS Defence as an armourer s mate. And soon, while his flagship cruiser leads the Mediterranean Fleet, there are feelings of doubt as he and his shipmates realize their ship is far outgunned and underprotected. - Consequently, when the war breaks out, his commanders allow a German battlecruiser to escape to Constantinople. This is a contributing factor in bringing the Ottoman Empire into the war, resulting in the enormous and disastrous Gallipoli Campaign. How do Bill, his family, and his shipmates deal with rejection and such a humiliating disgrace and when could they possibly redeem themselves? - Then, almost two years later, on May 31, 1916, they finally get their chance. On a windswept, cold and cruel North Sea, 251 dreadnoughts, with 100,000 sailors, marines and civilians, are engaging in the most destructive and most decisive sea battle of the Great War. And, just as Sir. Francis Drake s ship had led the British Fleet to defeat the Spanish Armada over four centuries ago, the old obsolete cruiser, HMS Defence, is leading the Grand Fleet into action. Could Bill and his shipmates initiate the defeat of the infamous, unsinkable, German High Seas...
