New York City Subways traces the history of mass transportation in Manhattan and New York City's outer boroughs. The concept of subways, railroads operating underground, originated in London in 1863 and was applied to New York City by 1904. This collection of vintage postcards brings you through the tunnels of the subway, onto the platforms of the long-gone els, and examines New York's renowned terminals, especially Grand Central and Penn Station. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
