

Ride the Horse in the Direction It's Going: A True Tale of Travel, Cultures, and Spiritual Hapenings (Paperback)

Filesize: 8.24 MB

Reviews

This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Jeramie Davis)

Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One Woman s Insights Into Remote Cultures of the World Many people are tourists, but few are true travelers. Joyce Rasbach was an average American housewife until she acted on a lifelong dream -- traveling to Mongolia. What followed was a discovery of the magic in visiting out-of-the-way places and peoples. This is her enlightening and compelling chronicle of experiences with cultures and spiritual concepts that are fast-disappearing. Travel with her as she: - Makes her way on the Old Silk Road and the Gobi Desert - Teaches at girls schools in Kabul, Afghanistan while living with an Afghan family - Travels through Uzbekistan and Turkmenistan two weeks after 9/11 - Explores the lofty Pamir Highway in Tajikistan with a guide who doesn t know how to cook or survive at high altitudes - Battles bureaucratic obstacles; endures interrogations and accusations from government officials in Iran More than simply an account of sights and experiences, Ride the Horse in the Direction It s Going provides penetrating observations on our global community. Chief among them is the discovery that people are basically the same the world over -- kind, caring, and willing to share.
