Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Hot Key Books, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The call of the wild is powerfully realised in this thrillingly evocative modern-day fable. A girl raised in the wild, a desperate race for freedom and a boy with a fiercely guarded secret. When Nona's guardian kills himself, she is immediately suspected of murdering him. In a world where nature and darkness are feared, where wild animals are held captive and cities are illuminated by permanent light, who will believe her innocence? Nona must flee with her only friend - a bear who is strangely human. In their desperate attempt to escape capture, Nona and her bear encounter two strange boys, Caius and Jay. Together, the four of them will hide, and fight, and make the deadliest of enemies in their desperate race to a forbidden place called The Edge - where nature is unrestrained, where there is light and shade, forest and mountain, and where there are no shackles or boundaries. A poetic, haunting and unforgettable modern fable about nature, society, and what it is that makes us human.
