Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are two types of people in this world; those who grow and those who just grow old. So what separates those who prosper from those who remain stagnant? The difference between the two individuals is that one lives by the status quo while the other challenges it. But how do you escape from this cage called The Status Quo ? By first breaking free from the mental shackles that bring you down. Psyche Dissection addresses the 17 mental shackles that keep people from reaching their full potential. Some of the mental shackles addressed in this book are egotism, generational curses, The Hero Syndrome, fear of public perception and many more. No human being was made by mistake, but with purpose. The question is are you fulfilling yours?.
