THE OFFICIAL WWE BOOK OF RULES: (AND HOW TO BREAK THEM) (PAPERBACK)

Media Lab Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Less a formal rule book (because very few things in WWE are formal.) and more a gut-busting celebration of all things pro wrestling, The Official WWE Book of Rules lays out all of WWE s rules on various documents, including scribbled-on scrap paper, company memos, repurposed receipts and even decrees from Vince McMahon himself. Want to know the difference between a Hollywood Backlot Brawl and a Brooklyn Street Fight? Does a No-Disqualification match even have rules? Is Stone Cold Steve Austin legally permitted to drive heavy machinery to the ring? You ll find those answers and more inside, all compiled in a makeshift file folder with exposed binding, ripped out pages (it s intentional, trust us), and other laugh-out-loud details. With a foreword by Daniel Bryan, the GM of Smackdown Live, as well as commentary, illustrations and diagrams from WWE s boldest Superstars and authority figures, it s the ultimate companion to anyone who believes rules were made to be broken.
