TIA LEARNS ABOUT TYPE II DIABETES: TELL ME TOWN BOOKS (PAPERBACK)

Dog Ear Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Come with Tia and her mom as they learn that Tia has Type II Diabetes and what she needs to do to become healthy for life. In this very special story, real doctors have become cartoon characters to help children easily understand Type II Diabetes and how children who are diagnosed can become heroes of their health for life. Tia Learns About Type II Diabetes is a clever and simple guide for children and their families to learn about the diagnosis of Type 2 Diabetes. It provides important information in a way that is easy to understand. I found it especially helpful that the characters talked about the importance of a team approach both within the medical system as well as in the community in trying to combat Type 2 Diabetes. Rinku Mehra, MD Medical Director -Pediatric Endocrinology and Diabetes Pediatric Specialists of Virginia Tia Learns About Type II Diabetes is an excellent book for helping children learn about the importance of healthy eating and exercise. It is easy for children to read, and motivates them to make healthy food choices for a nutritious lifestyle. This book helps introduce your child to the healthcare team and explains how this team helps them to be as happy, fearless, and strong as Tia the Tiger! Neda Kashanian, RD, CSP Registered Pediatric Dietitian and Board Certified Specialists in Pediatric Nutrition Pediatric Specialists of Virginia Beamer and his friends in Tell Me Town have created yet another amazing book for children and families. In this book, Tia and Beamer learn about Type II Diabetes, and really help simplify what can be a very confusing diagnosis. When children understand exactly what's happening in their bodies, they will...
