Coached for Success the College Years: Seven Success Strategies.for Millennials to Start and Finish College in Four Years

By Valerie Griffin

Createspace. Paperback. Condition: New. This item is printed on demand. 166 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Get help navigating college and securing a Job! For this new generation of students, now more than ever, higher education is the ticket to upward mobility. In working with talented students at universities and colleges across the nation, we discovered there is a tremendous void- regardless of racial, ethnic, and/or socio-economic differences in the level of preparedness of students upon entering college and their ability to finish in the prescribed four years. This book was written to address that void and save years of frustration and tens of thousands of dollars in tuition. If you are a student in high school or college, or parent of these students, this book will give you the insight and proper perspective needed to navigate college with confidence and secure a job. We have found our passion working with Millennials (also referred to as Generation Y). We define them as a generational cohort of individuals born in the 1980s and 1990s. We have worked with hundreds of high achieving college students from universities across the country and are sharing the lessons, experiences, wisdom and success strategies that...
