Vertiginous Life: Bilingual Edition

By João do Rio

New London Librarium. Paperback. Condition: New. 476 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. In 1911, Rio de Janeiro was a venerable city in a new republic just a generation old. The people of Rio felt as new as the new century. A new culture of immigration and education blossomed. New technologies of machinery! Automobiles! Airplanes! advanced with blinding speed. Feminism! Advertisement! Democracy! Global travel! New journalism! Tea, slander, migrant camps, uppity servants! Life in Rio de Janeiro was dizzying. Vertiginous. In the giddy swirl of modernity, literary journalist Joo do Rio aimed his critical eye at a great city and society in transformation. His collection of articles, Vida Vertiginosa, is presented here for the first time in the English language. It ranks with his Religions in Rio as a classic of Brazilian nonfiction. Joo do Rio was a journalist way ahead of his time. A man of the streets, the people, the bars and restaurants, sui generis, dapper and openly gay, he approached reportage with a style all his own. He saw what others did not see, and he wrote about it with inimitable linguistic flare. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This ebook could be worthy of a go through, and a lot better than other. I have study and that i am sure that i will likely to read through yet again once more in the future. I found out this pdf from my i and dad suggested this pdf to discover.

-- **Lorine Rohan**

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
