Reviews

Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
(Garry Quigley)

GHOST RIDERS OF THE WEST (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Join Master Ghost Hunters, Drs. Dave Sharon Oester, as they investigate the dark recesses of the Old West haunted mining ghost towns where miners still search for gold and silver, and moonlit Civil War and frontier Army forts of bygone days, and the shadowy ancient Indian ruins dating back over a thousand years ago. In Ghost Riders of the West, our tales are not ghostly myths and legends told around a campfire, but stories of real ghosts that haunt today s historical sites. At times, they are frightened, and at other times, they just want answers or validation as to what is occurring. The activity continues and as we have always said, ghosts are everywhere. We share our EVP investigations at various old mining ghost towns in the West, such as Stockton, Congress, Octave, Stanton, San Pedro, Rhyolite, Bullfrog, Columbus, Candelaria, Metallic City, and Vulture City. Read about the haunted army forts, such as Fort Craig, Fort Stanton, and Camp Cody. Our EVP investigations into the ancient Indian ruins found at Chaco Canyon, Casamero Pueblo Ruins, the three Salinas Pueblo Missions, the Homolovi Ruins, and the Besh Ba Gowah Ruins.
