By Kevin M Nyagah

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Kevin M Nyagah, Catherine S Nyagah (illustrator). Language: English . Brand New Book ***** Print on Demand *****. How the Zebra got its stripes is a tale about zebras and donkeys. They were once the same color and looked much alike. Their fur coats were less colorful compared to other animals. The donkey and zebra decided to change their color. Find out how they zebra got the stripes. The story is very exciting and educational to children. A winning storyline and lessons that can be shared and observed in nature itself will bring you and your child together as you share this amazing story. Kevin Nyaga has brought this story of color, and why certain things in the world are this way. This is a great read aloud to share with your children and would also be good for them to read alone.
