

Manage Your Money, Manage Your Self, Achieve Your Goals: Practical Ideas for You Your Money to Achieve Your Goals (Paperback)

By MR S L Clay

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book has been written specifically for people just like you. You are smart, bright and intelligent, you work hard and you want to get on in life. The only problem is you feel you have much more to give and much greater potential, you have ambitions to get ahead but there are a few things holding you back. First thing is your finances, you never seem to have the cash to do the things you want to, like save for that deposit, start that new business venture or enrol on that course. You feel you are just getting by - instead of getting ahead. Your money and you life are intrinsically linked and to move to the next step, you need to get your finances into shape along with yourself. This is book is not written by someone who made their wealth twenty years ago, now rich, lecturing about what you should do and giving their opinion on the world. It is written by someone who is qualified to give financial advice, someone who has worked hard to...
