Filesize: 5.01 MB

Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Dale Fahey MD)

Mari.Reiza, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A book about female desire. I would have liked to go straight back to the beginning and read all over again. The writer is intelligent and witty and spot on in her observations about how men and women often tick. I can think of no better book to celebrate World Women s Day. A brilliant book, fellow author Joan Barbara Simon. This is a beautifully written story full of depth that tells the separate stories of two women, from their viewpoints, in an expertly interconnected way. The author did a brilliant job of shifting viewpoints so effortlessly and with perfect timing, it reminded me at once of Maggie O Farrell and Elena Ferrante. By the end I felt so connected to the characters, I didn t want it to end. Relatable, sad at times, angering at times, and overall a very satisfying read, Unbounders editor DeAndra Lupu In a small town in northern Italy, Kiki feels worthless and angry when her longtime partner finds a new cool girl to ride on another decade of easy existence. Meanwhile in trendy London, Fatima, the wife of Kiki s best friend, is losing her selfhood after giving birth to twins and being made redundant. Both heroines are determined to rebuild the passion and impunity of their youth, vitalising desires that will bring them to risk everything. Themes covered in the novel include rejection, identity, betrayal, freedom and the right to happiness. The tone is humorous on the face of distress, often rejoicing in the terror of lives out of control.
