Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Poetry about love, some of it erotic. Passion is something humans crave but historically it has been seen as devastating. It is no less devastating in the 21st century - passion causes all sorts of disasters for lovers, especially illicit ones, and there are plenty here! Thirty years in the writing, these poems are a distillation of passion and its fruits.
