Barron's Educational Series, United States, 2003. Paperback. Condition: New. Leslie Harker, Lesley Harker (illustrator). Language: English . Brand New Book. This friendly little book acknowledges kids fears and makes them aware of things they need in order to feel safe in different situations. They learn, for instance, to look both ways when crossing a road, to wear special clothing for sports, to know their parents names, phone number, and emergency numbers, and many other details. A First Look At is an easy-to-understand series of books for younger children. Each title explores emotional issues and discusses the questions such difficulties invariably raise among kids of preschool through early school age. Written by a psychotherapist and child counselor, each title promotes positive interaction among children, parents, and teachers. The books are written in simple, direct language that makes sense to younger kids. Each title also features a guide for parents on how to use the book, a glossary, suggested additional reading, and a list of resources. There are attractive full-color illustrations on every page. (Ages 4-7).
