Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Illustrated Descriptive Catalogue Patent Labor-Saving Wood-Working Machinery Every opportunity for improvement has been accepted, and no device that could add to the usefulness of the tools has been neglected. We guarantee our machines to be superior in labor saving to any others in the market, and, when equaled by any other make, we at once improve them. The engravings show the machines as constructed at this time. Improvements will be added from time to time. All the machines shown herein are of sufficient weight to secure strength and durability without clumsiness; they are simple in design, convenient in arrangement of parts, and the parts are all accurately fitted, all racks and gears are strong and well cut, the best form of tooth being employed, with all sliding surfaces scraped to bearing, with boxes lined with genuine babbitt metal or bronze.
