Families and individuals all experience a broken world. Domestic violence, abuse, and trauma recovery are all possible. This book has several key principles that can help those who have experienced trauma. This is not another book promoting a new method or type of treatment. After reading this book, readers will be able to recognize, relate to, and identify areas of trauma and domestic violence. They will have the tools necessary to put themselves on their own road to recovery. The fear of abandonment, rejection, shame, betrayal, and pain is often overwhelming and can leave its mark on the rest of your life. In the midst of the hurt, it's hard to see the light at the end of your situation. Unforgiveness brings a curse and can be a major roadblock to the deliverance and freedom of your soul. It's Time for Healing and Freedom! *Do you find yourself struggling with patterns you cannot overcome? *Do you continue in toxic relationships and don't know why? Dr. Ernst's life story is shared with raw boldness, compassion, transparency, and wisdom. This book is intensely human and profoundly spiritual at the same time. She has been transformed from a person full of shame, anger and with a victim's mentality, to a person full of courage with an overcomer's mentality. It is her strong desire to see people delivered and be set free from bondage and trauma that have been keeping them from walking into their destiny. SCROLL UP GET YOUR COPY NOW!.
