

Numeracy for Teaching (Hardback)

By Derek Haylock

SAGE Publications Inc, United States, 2002. Hardback. Condition: New. Language: English . Brand New Book. `Comprises a very helpful resource for students who are obliged to succeed in passing the QTS numeracy test in order to gain QTS. It should provide a valuable resource for students to increase their confidence as well as their competence - Mathematics in Schools `The stated aim of this book is to help teacher-trainees prepare for the numeracy test all new entrants to the profession now have to pass. Any trainee worried about the test should find this a useful resource. As in similar books by Derek Haylock, the mathematical content is written in a clear and accessible style - Mike Askew, Times Educational Supplement Quotes from the author s students `The book is excellent. I think it will present students and others with a valuable resource, not only to help with the QTS test, but also for teaching. I could see myself using it on dip-in-as-necessary basis . `The practice questions were really helpful for checking and consolidating learning. The material was useful for the QTS test, particularly the mental calculations. Many thanks for letting me work through your sample material. I cannot begin...
