Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Patents: Law and Practice It is desired at the outset to particularly call the attention of those to whom this booklet may come that it is not an advertising pamphlet filled with glittering generalities and intended purely as a means for soliciting business. This little booklet is not intended to be exhaustive in any particular. It is designed to serve as a convenient handbook, presenting in concise form for ready reference the features most necessary to be available to lawyers, manufacturers and inventors to enable them to readily understand the leading points of the law and practice on this important subject matter, and to take the necessary steps to secure protection for this class of property. Mr. Richards, now deceased, the original founder of our firm, who was the author of the first edition of this booklet, was guided in his selection of the material herein by the questions most frequently propounded by clients, and endeavored to compile the law and practice with respect to these questions in a comprehensive, logical manner, having in mind the necessity for brevity and conciseness. Practically all the matter contained herein is based directly upon the Revised Statutes, the Rules of Practice of the United States Patent Office and the decisions of the Courts and Commissioners of Patents. The author has purposely refrained from giving the citations of decisions and authorities, feeling that if the pamphlet were interspersed with numerous citations, the impression might be made that it was intended for a complete treatise and many might be deterred from a reading thereof. This second edition has been carefully revised and enlarged by the addition of subject matter which...
