Philosophy: Aims, Methods, Rationale (Paperback)

By Ulrich de Balbian

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this meta-philosophical study I commence with an investigation of Wisdom. I then continue with an exploration of the institutionalization of the subject and the professionalization of those involved in it. Then I show that philosophizing resembles and attempts to do theorizing. The 9 questions, etc of the Socratic Method and details of the Philosophical Toolkit occur throughout different stages of theorizing as one level and one dimension of it. Traditional philosophy is no longer viable, relevant and acceptable. It might be possible to continue doing philosophizing in traditional ways. It is possible to continue fabricating fictional realities in the manner of the Pre-Socratics, Spinoza, Leibniz, Husserl, Hegel, Plato, et al. It is possible to devise pictures of realities and depictions of human consciousness and cognition like Descartes or in the Kantian manner. One of the major issues with traditional philosophy is its lack of self-awareness, the absence of meta-cognition. This lack of meta-cognition of traditional philosophers leads to the creation of all sorts of questionable phenomena and fake problems. Traditional philosophy, metaphysics, ontology, epistemology, ethics, philosophy of sciences, religion, arts, etc...
