Excerpt from *A Retrospect From the Round Tower of the Pomham Club* There rests on the eastern shore of the Narraganset a stately building. From it a tower ascends, and this tower I ascend, an unbidden guest. Standing as it does upon a high bluff, it affords a view of great scope, not only of the bay, but also of the surrounding country. Nestling at the foot of this bluff lies Happy Islet, and contiguous to it Pomham Rock and the red light thereon; hence, it was the tower of the Pomham Club House wherein I stood. In serene silence the mind ran back among the forgotten years and visions arose of things I might have seen had I then stood here. The club took its name from the rock and the rock from the Sachem, but how, or why, or when, I do not know.
