SUN-RISE PAPERS: OR, LEAVES FROM MY PORT FOLIO (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sun-Rise Papers: Or, Leaves From My Port Folio The following pieces have been taken, almost at random, from a large number of a similar character, which have been accumulating in the Port Folio of the author, for two or three years past - the fruits of his leisure hours. It was his intention when the first sheets of this pamphlet were printed, several months since, to have made a draught upon the matter thus collected, sufficient for a book of respectable size, in boards; and he would here make his acknowledgments to gentlemen of the Press, for the flattering terms in which they noticed the contents of those sheets. As the articles, however, were mostly but little more than fragments, and were chiefly in the form of essays, it was afterwards deemed advisable to make an experiment in view of ascertaining the manner in which they would be received by the public, by first sending out a few of them in a cheap form, before hazarding the expense of a Book; and it remains to be seen, whether the dove which has thus been dispatched from the ark, will return with the olive leaf in its mouth.
