Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Brand New Book ***** Print on Demand *****.Excerpt from The Matrimonial Fog Scene. - A secluded corner on the veranda of a Country Club. It is a summer evening. On the left an open door and windows reveal a lighted interior. On the right is an entrance supposedly leading to an extension of the veranda and a side entrance, where may be found telephones, messenger boys and other conveniences. Palms and ferns, banked across the back, a string of Japanese lanterns, flowers and music in the distance are unmistakable signs that a dance is going on. A little to the right of the center is a wicker davenport, strewn with gay pillows, facing the front diagonally. Just behind this is a floor-lamp with a rose-colored shade which casts a warm glow over the seat. At the left of the center is a wicker table, upon which stands a tall basket of American Beauty roses, and in front of the table a little to the left is a wicker armchair. Enter at rise Jack Dunlap, L. He is a young bachelor, popular with the married set, good looking, graceful, polished, thirty; a man who loves to disguise serious feeling and real depth of character beneath an air of easy nonchalance, and a never failing sense of humor carries him through every ordeal. He paces back and forth restlessly, looks at his watch and seems to be hesitating between a desire to stay and a determination to go. Jack (to himself). I m a fool not to get out of this. (He takes a coin from his pocket.) Heads I run,...
